Yesterday's Meeting--The Course to be Pursued in Raising funds to aid Parnell.

There was a large gathering of patriotic Irishmen at the meeting of the local branch of the Irish National Land League yesterday afternoon. In the abence of President, Cary, Vice President "When you call for a plug of tobacco, Thomas Thornton presided. In assuming replied the dealer, "you certainly get a the chair, Mr. Thornton said that the modicum of the fragrant leaf, but it bears committee appointed to device mean ommittee appointed to devise of securing a contribution to the Parnell other ingredients with which it is come fund had arranged for a raffle for a hand some gold watch which had been donate for the purpose by a sympathizing friend of the worthy cause. Vice Presiden Thornton, Secretary Mulqueen and Treasurer Daly were thereupon constituted ommittee to complete arrangements an lesignate date and place of raffle,

Hon. Pat. O'Mara then delivered a able and patriotic address, setting forth the objects of the National Land League and clearly defining the duties of every subordinate branch. He touched upo the sufferings of Ireland under England's tyrannical rule, the noble work that Paene s pursuing notwithstanding the abus nirth provoking orator will give his and most popular brands are those which and deprivation he has suffered, eve to imprisonment, and urged upon the friends of right and liberty in Amer the sales are increasing. Some of the new ica, the necessity of their spring ing to the aid of Ireland in hour of need. If the right course be parthrilling narrative of battle scenes and wine and spirits, and the chewer is led to seed and each man contributes his mise prison life. His style is graphic and believe that genuine charopogne or old Mr. Parnell will be enabled to complete the purpose he has so zealously labored the leaf is desed. This is, of course, for, and Ireland will be a free land suc is ours. Mr. O'Mura stated that he had dent of the Irish National Issue the necessary papers admitting the local organization to the National league, and a con stitution of the same. An adjournment "Is there a large profit in plug tobacwas then taken for one week, all present feeling encouraged over the outlook for a liberal response from the Ruck Laund

league to Mr. Paraell's moneyle Way People Swear. Some people have been found to may good word for bad language; but this is fair prices and a moderate margin of out of love of paradox. They have plead gous to that of emphatic speaking, and mmediate vicinity, and make a trade by that those who are too lazy to think of the underselling, even if they have to sell at right word to express their meaning dran out of sheer carelessness into the easy slipshod style of using expletives. Un fortunately it is not merely the ignorant "To some extent it is, but the flavoring who might by some possibility be sapevaporation when the tobacco is cut, con- employ in order to express strong feeling equently a man has more genuine tobac- that are guilty of the improper loabic. It co in an ounce of fine-cut than four prevails to a considerable extent in circle where refinement and education are supsteadily decreasing of late years, and I the university, and possibly have comselieve in Rock Island above only one out as first class men or wranglers, have cut road to their meaning which swearing "Is it not a fact that the chewing habit unhappily supplies. In such cases, per haps, it may be urged in excuse that se-"It is among persons of position and vere academical training or examinations rulture. It seems to have become an have so reduced their stack of beain axiom that no gentleman should chew to power that the discovery of the bacco. Among the working people the appropriate adjective to apply in bactor. Among the working people the habit is on the increase, and it is to them any case, is as difficult for these that the manufacturers look for the bulk lights of learning as for the plowboy or the day laborer. And there may be some thing in this excuse. Jutellectual laziness is accountable for a good deal of the hasty judgements as well as the hasty language which is current: and in the in price Before the war domestic eigars rush and hurry of life a busy man may were both good and cheap, but after the argue that he really has no time to be

particular about his phrases. This neight be accepted as a legitimate plea if it could be shown that "strong" language is at all more easy to utter than weak; such, howis a matter of habit. It begins, perhaps, with intellectual laziness, or the desire to road south of Color Janetion. Johnson appear on a par with the swearing world around; boys adopt a lamentable variety of nearest road running to Ofathe. This fumed eigar, as it was termed, is happily of expletives, very often out of the emua thing of the past, and experienced lative faculty. Possibly the "swell" of the Karrars City, Foot Scott and Chill smokers always ask for an unflavored their school thinks it a fine thing to call a railread at Olathe. It was decided to go more or less in all cigar flavors. By the whereupen his youthful imitators proceed use of flavoring mixtures the poorest at once to garnish their ordinary converow grade Connecticut, can be utilized, rowed from the lower regions. The popthe wrapper stained to any desirable ular desire of emphasis in speech must chicago, Rock Island and Pacific, which color, either 'colorado' or 'maduro,' and not blind us to the fact that it is very ill now has one of its western termini bete
